North Michigan Avenue and Wacker Drive is renowned as the place where the Magnificent and Cultural Miles begin; in Chicago, it starts here. Here too, LondonHouse Chicago, a luxury lifestyle hotel, now welcomes guests as of Spring 2016. At LondonHouse Chicago, we've combined classic and contemporary architecture, modern design, sweeping vistas, distinctive history, unique amenities and luxury service with a landmark location to create a new icon in Chicago hospitality.

From the chic comforts of its flawless accommodations, such as our full service spa with offerings from therapeutic massages to manicures and 24-hour state-of-the-art fitness center, to its unmatched river views, and tantalizing offerings of LH, Chicago's only tri-level rooftop venue offering reimagined American cuisine and cocktails indoors or out, every aspect of LondonHouse Chicago has been designed to make your stay truly unforgettable.

LondonHouse also provides an array of unique options for catered meetings and events. Offerings include the stunning Juliette Grand Ballroom with floor-to-ceiling windows along the river, Étoile, our 21st floor private dining room with an open-air terrace and remarkable river views, and a variety of other flexible spaces for events large and small.

With 452 beautifully appointed and graciously sized guest rooms and suites and 25,000 square feet of catering, social and event space with stunning skyline views from virtually every window, LondonHouse Chicago stands proud, ready to welcome guests to the spot where Fort Dearborn once stood — the spot where Chicago began.
